Memorial Highway/Expressway loop set to re-open this weekend

Bismarck – The North Dakota Department of Transportation is re-opening the closed loop at Memorial Bridge, this weekend. Beginning Monday morning, commuters headed east on Memorial Highway will be able to access the loop at Bismarck Expressway to head north toward I-94. The closed loop on the west end of the Memorial Bridge was rebuilt as part of the bridge project. Temporary signs erected on Friday will be replaced with permanent signs next week.
